

2015 Chardonnay | Clone 108

91
POINTS

This rich and creamy wine definitely pulls out the new barrel flavors, with buttery nut, salted caramel and toast notes highlighting its ripe peach and apple fruit. From vines planted in 1989, it's styled for drinking right now.

Wine Enthusiast

2016 Chardonnay | Clone 108

93
POINTS

From a vast 180 acre vineyard first planted in 1971, Hyland's Estate Chardonnay is succulent and generous. It leads with complex notes of nutmeg, cinnamon, and mace on its pear and melon fruit, a spritz of lemon adding tension. It has the breadth and balance for something rich for dinner, like pork loin rubbed with Turkish spices.
